HERE'S A LOOK AT WHAT WE'RE LEARNING!

Math

Students will finish learning about Fractions this week. Students will need to know halves, thirds, fourths, sixths, eighths, and tenths. They will also have to compare these fractions as well. Fractions test will be Tuesday!

Units

Students will continue their unit on Native Americans. They will need to know the Eastern Woodlands, Lakota, and Pueblo tribes and important information about each.

Literacy

Students will use story elements when reading fiction books. They will need to know characters, setting, problem, and solution. They will also need to know question words such as Who?, What?, When?, Where?, Why?, and How?

Students will be learning the Hamburger Model paragraph in writing. They will also continue to be learning about how a Table of Contents works in non fiction books.
