Nathanael Greene Elementary

5:00p.m.

Tickets are \$5

HERE'S A LOOK AT WHAT WE'RE LEARNING!

Math

Students will be learning about symmetry this week. Students need to know if an object has a line of symmetry or not. **Symmetry** is when one shape becomes exactly like another if you flip, slide or turn it.

Units

Students will begin their unit on Native Americans. They will need to know the Eastern Woodlands, Lakota, and Pueblo tribes and important information about each. A study guide is attached!

Literacy

Students will use story elements when reading fiction books. They will need to know characters, setting, problem, and solution. They will also need to know question words such as Who?, What?, When?, Where?, Why?, and How?

Students will learn about ask/answering questions as they read and they will also learn about locate information in their reading.

Line Symmetry
