## HERE'S A LOOK AT WHAT WE'RE LEARNING!

### Math

Students will continue to learn about 2 digit addition and subtraction with regrouping this week. Students will also add estimation to the 2 digit addition and subtraction.

2 digit addition/subtraction Test -  
Thursday

2 digit addition/subtraction  
estimation Test - Friday

### Units

Students will be learning about community changes this week. Students will be learning about what happened "then" and what is happening "now," particularly referring to the displacement of families in Greene County from the Shenandoah mountains.

### Literacy

Students will use story elements when reading fiction books. They will need to know characters, setting, problem, and solution. They will also need to know question words such as Who?, What?, When?, Where?, Why?, and How?

Students will continue to search for the main idea in nonfiction writings. They will need to also find the details that support the main idea/topic.

Students will also continue editing papers using CUPS. CUPS is:

C = Capitalization

U = Understanding

P = Punctuation

S = Spelling
