9/13 - Progress Reports  
Issued

## PTO / OPEN HOUSE & MOVIE NIGHT

September 15, 2017

5:00 - 8:00 p.m.

## HERE'S A LOOK AT WHAT WE'RE LEARNING!

### Math

Students will again be using addition and subtraction facts to help solve equations that are missing parts. The following is an example:

$$4 + \underline{\quad} = 12$$

A fact family and missing part quiz will be this Friday!

### Units

Students will continue to learn about the United States and the World maps. Students will need to know land features in the United States as well as the 7 continents and 5 oceans. A test will be on Friday, September 15.

### Literacy

Students will use story elements when reading fiction books. They will need to know characters, setting, problem, and solution.

They will also need to know question words such as Who?, What?, When?, Where?, Why?, and How?

Students will be making sure they know what a complete sentence is by having a subject (Who) and a predicate (Do) in each sentence.

Students will also learn how to make good predictions when reading based on clues from the story.
