Every Child · Every Chance · Every Day

### **March 15, 2020**

This is an update regarding meals and student medications. Your continued patience is appreciated as we manage precautions and preparations surrounding COVID-19, otherwise known as coronavirus. We are consistently checking in with and receiving updates from local and state health agencies to ensure our plans will keep students, staff, and community members safe and healthy.

Greene County Public Schools will be providing bagged meals for all children up to age 18 during the two week school closure beginning on Tuesday, March 17 from 4 p.m. - 6 p.m. A bagged meal will contain two breakfast meals and two meals per child that could be used for lunch or dinner. No application or income verification will be required.

Meals will be available at the Nathanael Greene Primary School bus lane.

For health and safety reasons, the bus lane will serve as a "drive through" and meals will be handed to parents in vehicle.

Meals will also be available on Thursday, March 19, Monday, March 23, and Thursday, March 26 from 4 p.m. - 6 p.m. in the same location.

If your child has medication at the school that you would like to retrieve, clinics will be open in each building from 2 p.m. until 6 p.m. on Tuesday, March 17 and Thursday, March 19.

Thank you again for your patience during this time. We will continue to collaborate with our local and state health department officials and will maintain open communication with our families as this situation continues to evolve in our community. If you have any questions related to the coronavirus (COVID-19), you may contact the Thomas Jefferson Health District coronavirus hotline at (434) 972-6261. Thank you and have a great evening.
